SCHINKLE IS ON THE PITCHING STAFF

UTES' TRAINING CAMP, Porterville, March 18.—Tonight Bill Bernhardt has thirteen candidates for the hill. Walter Leverenz, for three years with the St. Louis Browns and last season with Rochester, arrived this morning from southern California, where he has been ranching interests, and late last night the manager secured the signature of Adolph Schinkle of Fresno to the Ute contract. Schinkle has been pitching great ball through the valley this year and was considered by the Sun Maids of Fresno a worthy running mate of Pete McEllen.

Leverenz has been working hard this winter and says he is in good shape. The Utes' first team, which traveled to the oil fields for a contest with the Taft Tigers at Taft today, won their game in easy fashion by the score of 10 to 0. Bliss and Lydiatt, who worked for the Utes, had the fast collegiate aggregation of the petroleum district helpless for nine innings.

Wild, Kirmayer and Blake worked for the Oranjer Pickers against the second string team in Porterville this afternoon and the locals took the game by a score of 6 to 3.

It is perfectly evident that during the next few days the passports will begin to be issued and it is highly probable the first to be favored in this interesting ceremony will be a bundle of about five aspiring pitchers. Just who these are to be Bernhardt has not yet indicated. The interesting secret will be out by the middle of the week in all probability.

In every other department of the team the choosing has been done all but the official announcement. Bill Bernhardt has the class of the league in the field and if his leadership rounds up to present promise the team will be a first division contender all the way. The manager has about decided on the date for breaking camp. Unless weather conditions are bad at Salt Lake he will probably leave here a week from tomorrow.

MACHOLD SHOWS HE
CAN HURL THE PILL

SACRAMENTO, Cal., March 18.—Ad Machold, Sacramento's representative with the Seals, had too much for the Marysville Giants, playing their first game of the season here today. Machold only allowed five hits and fanned about eight batters. Playing for the first time since joining the Seals in spring training, Roy Corhan, in charge of the club, scintillated in brilliant fashion.

REAL GRIND FOR
BEAVERS IN STOCKTON

PORTLAND, Ore., March 18.—A strenuous time of it will be in store for the Portland Beavers when they arrive at Stockton on the last lap of the training season prior to the opening of the Pacific Coast league 1917 race. Hugh McCredie, who is handling the affairs of the Portland club while the Beavers are away from here, has sent several telegrams and letters to Walter McCredie at Stockton.

The Oregonians are expected to arrive in San Francisco Tuesday or Wednesday from Honolulu and then go direct to Stockton. Just what the messages have to say, Hugh McCredie would not say, but he let out the fact that a couple of former big leaguers are out to land a berth with Portland.

PASADENA BALL
CLUB BUMPS TIGERS

LOS ANGELES, March 18.—The Tigers bumped into the Pasadena club today and the rebound found them on the short end of a 9 to 8 score. It was a woody pastime all the way, with hitting free and errors plentiful. Twice the Tigers built up commanding leads only to see them melt in the white heat of competition.

Pasadena overcame a four-run lead and tied the score in the sixth. Vernon counted three in the tenth and Pasadena tied it some more in the same inning. In the eleventh George Hass broke up the game with a safe swat off Decanniere. In this round Getchino walked. Sullivan and Hass planted singles behind this pass for the winning run.

Thus far Promoter Dallas has given

Johnny Dundee, the American light-weight boxer who has put fear into the heart of Champion Freddie Welsh within the last few months, being able to get a match with the Englishman, will arrive in Ogden on April 2, according to advices received by Eddie Dallas, the local boxing promoter. He is coming here to meet Al Young, adopted son of Ogden, in a ten-round bout to be staged at the Alhambra theatre on the night of April 6. It is anticipated that he will be well acclimated by the time he reaches here, as he is to train and box in Denver, Colo., prior to his local appearance.

This contest will be the nearest to a world's championship boxing event that has yet been held in this section of the country, as Dundee is acknowledged by many sporting authorities as the lightweight champion. He has been climbing the ladder fast during the past year, defeating the best of the eastern lightweights, one after the other, and trying in vain to get a match with Freddie Welsh. For his bouts in the east, he demands and receives big guarantees and the local boxing promoter and his backers are worthy of support when they obtain such talent for the entertainment of the Ogden fans. The signing up of Dundee is but another proof that Ogden can have as good boxing entertainments as any city in the country as long as the sport lovers are back of the game.

CHICAGO CUBS
WIN ONE GAME

After Being Cuffed by Oaks
9 to 7 They Score Over
Seals 7 to 2.

SAN FRANCISCO, March 18.—The Chicago Cubs finally won a game of ball. They were cuffed by the Oaks at Oakland this morning by the score of 9 to 7, but they downed the Seals at Ewing field this afternoon by a score of 7 to 2.

Bill Steen started the game for the Seals and he was nipped for three runs in the opening round, and after that the Cubs were never headed. Steen retired after the fifth, his place being taken by Dudy Kallio, who showed a swell curve ball and retired the first three Cubs who faced him. But he was yanked out of the game to let Maisel bat for him, with a chance to drive in a run, and Olaf Erickson finished the pitching job. Olaf worked only three rounds and walked four men. Only one run was scored off him, however, and an error by Jerry Downs helped in the manufacture of that one.

Little Hollywood again starred at bat. His miscue in the first inning helped the Cubs get a good start, but he handled all of his chances perfectly at that.

The morning contest between the Oaks and Cubs was a slugfest from start to finish, three Chicago pitchers, Prendergast, Dawson and Hendrix being the particular victims, although Arlett and Krause were also pounded nine hits being gathered off their delivery.

The scores: R. H. E.

Australian Fighter Meets His Match

Les Darcy and Jane Lee ready for battle.

Governor Whitman issued a decree that Les Darcy, the Australian fighter and slacker, must not be permitted to stage a bout anywhere in the state of New York. It is whispered, however, that this photo was taken just a few days ago in New York city. That the little movie starlet is not afraid of the big Australian is shown by the pugnacious expression on her face.
